Intro

I am a well rounded creative director and strategist with experience leading, designing, coding, mentoring, and teaching. In a perfect world, I would love to lead a versatile and diverse creative team that works on challenging digital projects while having influence on company and product strategy and direction.

Experience

Mitrend / Creative Director

2013 - Present / Remote

Responsibilities include shaping both company and product strategic direction as well as leading a team of developers and designers to execute brand development and product implementation .

Questex Media / Design Team Lead

2012 - 2013 / Newton, MA

Hired as a designer with four others to develop brands for industry leading trade shows and magazines. After three weeks, I was placed in the position of leading that group.

Self Employed / Graphic Designer

2009 - 2012 / Boston, MA

Worked on many projects as a freelance graphic designer and creative product strategist.
